Dear Friends of Sunshine Cottage:

We made these Holiday Cards especially for you! Since its founding in 1947, Sunshine Cottage School for Deaf Children has demonstrated repeatedly that hearing impaired children can lead successful lives in mainstream society. Innovative teaching, early amplification and speech therapy enables us, as hearing impaired children to live, study and work in the world of sound.

Sunshine Cottage is a private, non-profit, school for children with hearing loss. We are supported by private donations and fund-raising activities such as this Holiday card sale.

All proceeds directly benefit the children by providing hearing aids and equipment and scholarships, as well as education for our parents.

The ability to talk and express our own ideas to hearing people has opened our future to endless possibilities.

From our hands and hearts, we thank you for your support.
